

Vicon Nexus Reference Guide

About this guide

This guide contains information about Nexus functionality that is likely to be of interest if you are already familiar with the basic procedures described in the *Vicon Nexus User Guide*.

For instructions on configuring your Vicon system within Nexus and on the basic tasks that are part of the everyday Nexus workflow, see the [Vicon Nexus User Guide](#).

For additional documentation related to Nexus (for example *PC Setup for Vicon Systems*) and other Vicon documents, visit the [Downloads page of the Vicon website](#).
